D.O. No. J-11018/01/2017-NSAP

Dated 27<sup>th</sup> November, 2017

I would like to draw your kind attention towards the discussions held during the Performance Review Committee Meeting held on 16<sup>th</sup> November, 2017 regarding updating of beneficiaries database on NSAP-PPS in order to ensure that the pension benefits reach the eligible beneficiaries only.

2. An exercise was conducted by this Division to identify the duplicate records in the beneficiary database and the same was also discussed during the PRC meeting. An information, showing the number of duplicate records identified on the basis of multiple beneficiaries, having same account numbers and duplicate records on the basis of beneficiary name and husband/father name is enclosed for kind perusal.

3. This exercise does not insinuate that these cases identified are necessarily ineligible cases. However, the nature of duplication observed makes these cases suspect and these should be examined accordingly for their authenticity and eligibility. These cases have been identified on the basis of data available on NSAP-PPS and if the database for your State needs to be updated, necessary action may kindly be taken for updating the same at the earliest, either directly on NSAP-PPS or through web-services, whichever is applicable.

4. I shall be grateful, if you personally intervene in the matter and direct the concerned officials to examine the cases of duplication (as shown in enclosed report) and sending the action taken report to this Ministry at the earliest. (State wise list of duplicate beneficiaries may kindly be accessed by logging in NSAP-PPS, then clicking verification and check duplicate records).

With regards,

Yours sincerely,

(Sudhaker Shukla)

To,

Principal Secretary/Secretary in charge of NSAP (All States/UTs)
