

No. J-11018/3/2016-NSAP ( e 347989)

Government of India  
Ministry of Rural Development  
(NSAP Division)

11<sup>th</sup> Block, CGO Complex  
Lodi Road, New Delhi

Dated: 26<sup>th</sup> February, 2020

To

The Principal Secretary / Secretaries  
All States/UTs  
Incharge of schemes of NSAP

**Subject: - Reporting of beneficiaries data along with DBT transactions of NSAP on NSAP-PPS-reg.**

Sir,

I am directed to inform you that as per the extent instructions of Department of Expenditure, Ministry of Finance, this Ministry is reimbursing the transaction charges/incentives to the National Payments Corporation of India (NPCI) for the successful Direct Benefit Transfer (DBT) transactions for NSAP schemes.

2. The charges claimed by NPCI are based on the schemes-wise claims submitted by various Banks for all the States/UTs. The details of State-wise/scheme-wise transactions are not provided by NPCI and this Division is not able to verify the veracity of the claims, submitted by NPCI due to non-availability of State/Scheme-wise details of successful DBT transactions.

3. At present, as per the reports available on NSAP-PPS, 21 States/UTs are using NSAP-PPS partially or fully for processing transactions for NSAP schemes ( Andhra Pradesh, Assam, Bihar, Chhattisgarh, Delhi, Gujarat, Haryana, Jharkhand, Karnataka, Madhya Pradesh, Maharashtra, Meghalaya, Odisha,, Puducherry, Rajasthan, Tamilnadu, Telangana, Tripura, Uttar Pradesh, West Bengal and Lakshadweep) and rest of the States/UTs are either using their own IT system for payment disbursement or using a manual system.

4. Further, it is to apprise that some of the States/UTs have digitized the data of more number of beneficiaries (on NSAP-PPS) in comparison of ceiling/cap fixed by the Central Government for NSAP schemes and details of transactional data for these additional beneficiaries is not provided by the States/UTs.

5. Keeping in view the above, it is of utmost importance that State/UT-wise and scheme-wise data of all NSAP beneficiaries along with DBT transactions processed by States/UTs either through NSAP-PPS or through their own MIS/Manual system is maintained in NSAP Division for further strengthening NSAP and also for sorting out issues related to DBT transactions payment to NPCI.

6. In view of the above, it is requested that the States may use NSAP-PPS for all the payments processed for NSAP or if they use their own State specific IT system then they must develop an interface with NSAP-PPS for porting transactional data on NSAP PPS, in a time bound manner. It is also requested to provide the transactional data of all payments processed for beneficiaries, whose details are available on NSAP-PPS.

7. In future, the funds under NSAP schemes will only be released to States/UTs on adoption of NSAP-PPS or porting of transactional data to NSAP-PPS. NIC Team of MoRD may be contacted for resolving any technical issues.

8. It is, therefore, requested that data of all NSAP beneficiaries along with data of DBT transaction may be made available on NSAP-PPS by 31<sup>st</sup> March, 2020, positively.

9. This issues with the approval of Secretary(RD).

Yours faithfully,

(Dr. Manik Chandra Pandit)  
Deputy Secretary to Govt. of India
